### ***About Network Security –***

Join Agent 86 & the Network Pro's for an up-to-date look at ***Kaos*** on the Internet working to destroy ***Truth, Justice & the American Way!*** You and your business are their targets, and only ***Control*** can save you!

Our crack team of secret agents is preparing to show you all the dastardly evil things that are sneaking up on you the next time you swipe, click and browse the Internet.

### ***Don't be dumb about it – Get Smart!***

We'll help you deal with the bad guys and teach you about their devious methods to steal your secrets, embarrass your company, and try to wire transfer you right into the poor-house. These crooks are serious!

The West Bend Area Chamber of Commerce and Network Pro Wisconsin are joining forces providing a free seminar that will keep you from falling for all the sneaky, nasty, rotten and underhanded tricks the black hats have lurking for you at your next click or swipe! We'll arm you with knowledge to protect yourself and defeat the black hats!

***Come to our seminar at the good guys HQ:***

***Attendance is free!*** You'd be smart to show up!

**Wednesday, May 29<sup>th</sup> – 8:30 AM**
